March 9, 2021

Dear Families & Staff:

Today we are reporting one positive case of COVID-19 at Stonington High School. In this case, no close contacts were established at the school. For information about quarantining and school health practices related to COVID-19, please visit the special red banner section located at the top of the homepage of our website at <https://www.stoningtonschools.org/>.

Lastly, students and staff are reminded to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we begin the process of returning more students to our classrooms.

Sincerely,

Dr. Van Riley
Superintendent of Schools
