March 5, 2021

Dear Families & Staff:

Today we are reporting two positive cases of COVID-19, one at West Vine Street School and one at Stonington High School. In both cases, no close contacts were established at school.

As a reminder, anyone who is deemed a close contact of a positive case of COVID-19 is required to quarantine. ***For information about quarantining and school health practices related to COVID-19, please visit the special red banner section located at the top of the homepage of our website at <https://www.stoningtonschools.org/>.***

Please remember to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we continue to strive to keep our schools open and safe.

Sincerely,

Dr. Van Riley
Superintendent of Schools
