User Group Meetings:

High School Athletic Field Needs:

Baseball / Field Hockey / Football / Men's and Women's
Lacrosse / Marching Band / Men's & Women's Soccer /
Softball / Unified Sports

- Main Field Renovation to Multi-use (Synthetic Turf, Complete Amenities, Track & Field, Fieldhouse and Storage)
- 2-3 Additional Fields (1 Synthetic with lights and bleachers)
- Softball field(s) on campus
- 2 Additional Tennis courts
- Baseball Field Renovations
- Access to amenities for all fields

Summarized Identified Needs:

- Addition of Lights, Restrooms, Storage, Scoreboard & bleachers at the new Middle School Field
- Upgrade Fitch Football/Track to Synthetic Multi-use field for all sports – upgrade all amenities
- Renovate Fitch Baseball playing surface
- 4 Full-size Multi-use Fields - Synthetic
- 2 Full-size Baseball Fields
- 1 Intermediate size Baseball Field
- 2 Full-size Softball Fields
- 2 Tennis Courts

Synthetic Turf Considerations:

- Synthetic Turf requested by all user groups
- Letter from Groton Conservation Advocates
 - Health Concerns of Crumb Rubber
 - Environmental Concerns of adding plastic to the environment
- CT Dept of Health – greatly studied – no concerns – no restrictions
 - <https://portal.ct.gov/dph/Environmental-Health/Environmental-and-Occupational-Health-Assessment/Artificial-Turf-Fields>
- Town Council has requested greater analysis
- Task Force is committed to further exploring the issues & will report

Primary rationale:

- 1/3 more fields if synthetic isn't utilized
- All weather use is critical for all sports

Proposed Solutions: Fitch High School

Proposed Solution	Amenities
Renovate Stadium Track & multi-use Field	Synthetic Turf for all sports, Lights, Bleachers, Concessions, Press Box, Ticket Booth, Restrooms, Locker rooms, Scoreboard, Parking, Throwing areas, Storage, ADA compliance & access
2 Full Size multi-use Fields	Lights, Bleachers, Scoreboard (on one field), Access to Restrooms, Lockers, Storage, Parking
Softball field on Campus	Lights, Bleachers, Storage, Concessions, Press Box, Scoreboard, Restrooms, Locker rooms
2 Tennis Courts	
Renovate Baseball Field	Improve Playing surface, (possibly synthetic) – access to amenities

Proposed Solutions: Sutton Park

Proposed Solution	Amenities
Full-size Baseball with lights (possibly synthetic)	New Field – possibly Synthetic Turf, Lights, Dugouts, Bleachers, Storage, Concessions, Press Box, Restrooms, Scoreboard, Parking
Full Size HS Softball (possibly synthetic)	New Field – possibly Synthetic Turf, Lights, Dugouts, Bleachers, Storage, Concessions, Press Box, Restrooms, Scoreboard, Parking

6-Minute SEL

- 6 Minute SEL targets each of the 5 core SEL competencies.
- Select a Core SEL competency (e.g., self-awareness, social-awareness, emotional regulation, responsible decision-making, or relationship skills).
- Talk with your students about the chosen Core SEL competency and how it applies to their lives.
- Read the prompt/question and present each question to the class.
- Encourage students to share experiences that are similar to the SEL prompt.
- Whenever possible, model/simulate your own similar experiences as well.
- Discuss what went well and what didn't go well.
- Use the prompts as discussion starters, oral, or written story starters.
- Prompts can be used during restorative circles, as a whole group, small group, or as a think-pair-share.

This is A LOT....

How can we modify it to fit our needs during a stressful time? How can we make it more engaging for us and the kids?

Make it work with MODIFICATIONS

- **Make it accessible/easy to implement**
- **Add use of video when available**
- **Allow teachers to modify based on needs of the group**
- **Alter presentation and incorporate it into the style of morning/community meeting**
- **Make it short, meaningful, highly engaging , and highly effective**
