## No. 210.1

## Twin Valley School District

SECTION(S): Pupils

TITLE: Possession/Use of Asthma Inhalers

and Epinephrine Auto-injectors May 16, 2005

ADOPTED: May 16, 2005 REVISED: October 08, 2018

1		010 1 Descession / Has of Authors Inhalans and	1
1 2		210.1 Possession/Use of Asthma Inhalers and Epinephrine Auto-injectors	$\frac{1}{2}$
3		Dpinepinine rigid-injectors	3
4	1. Authority	The Board shall permit students to possess asthma inhalers and	4
5	J .	Epinephrine auto-injectors and to self-administer the prescribed	5
6		medication used to treat asthma when such is parent/guardian	6
7		authorized.	7
8			8
9	SC 1414.1, 1414.2	The Board shall authorize the district to stock epinephrine auto-	9
10		injectors in the name of the school district for emergency	10
11		administration by trained employees to a student believed to be	11
12		experiencing an anaphylactic reaction.	12
13			13
14		Possession and use of asthma inhaler and Epinephrine auto-	14
15 16		injectors by students shall be in accordance with state law and	15 16
17		Board policy.	17
18	2. Definitions	Anaphylaxis - a sudden, severe allergic reaction that involves	18
19	SC 1401	various areas of the body simultaneously. In extreme cases,	19
20		anaphylaxis can cause death.	20
21		anaphylano our oudoo doddi.	21
22		Asthma Inhaler shall mean a prescribed device used for self-	22
23		administration of short-acting, metered doses of prescribed	23
24		medication to treat an acute asthma attack.	24
25			25
26		Epinephrine auto-injector shall mean a prescribed disposable drug	26
27		delivery system designed for the administration of Epinephrine to	27
28		provide rapid first aid for students suffering the effects of	28
29 30		anaphylaxis.	29 30
31		Self-administration shall mean a student's use of medication in	31
32		accordance with a prescription or written instructions from a	32
33		licensed physician, certified registered nurse practitioner or	33
34		physician assistant.	34
35			35
36	3. Guidelines	Administration of asthma inhalers and epinephrine auto-injectors	36
37	SC 1414.1,	shall comply with Board policy, district procedures and	37
38	1414.2	individualized student plans such as an Individualized Education	38
39	Title 22, PA Code	Program (IEP), Section 504 Service Agreement (Service Agreement),	39
40	12.41	Individualized Healthcare Plan (IHP), or Emergency Care Plan (ECP).	40
41	Sec. 7.13		41
42 43		In order to maintain a student's health and safety, each student's	42 43
44		individualized plan shall address what information will be provided	44
45		to school staff and other adults who have responsibility for the student in the school setting.	45
46		Stadent in the school setting.	46
47		Student health records shall be confidential and maintained in	47
48		accordance with state and federal laws and regulations.	48

1	Student Self-Administration of Asthma Inhalers and Epinephrine	1
2	<u>Auto-Injectors</u>	2
3		3
4	Before a student may possess or use an asthma inhaler or	4
5	Epinephrine auto-injector in the school setting (including extra-	5
6	curricular activities), the Board shall require the following:	6
7	,,	7
8	1. A written request submitted to the school nurse from the	8
9	parent/guardian requesting that the school comply with the	9
10	order of the licensed physician, certified registered nurse	10
11	practitioner or physician assistant.	11
12		12
13	2. A written statement submitted to the school nurse from the	13
14	parent/guardian acknowledging that the school is not	14
15	responsible for ensuring the medication is taken and relieving	15
16	the district and its employees of responsibility for the benefits	16
17	or consequences of the prescribed medication.	17
18	•	18
19	3. A written statement submitted to the school nurse from the	19
20	licensed physician, certified registered nurse practitioner or	20
21	physician assistant that states:	21
22	physician assistant that states.	22
	N C 41 1	
23	a. Name of the drug.	23
24	b. Prescribed dosage.	24
25	c. Times medication is to be taken.	25
26	d. Length of time medication is prescribed.	26
27	e. Diagnosis or reason medication is needed, unless confidential	27
28	f. Potential serious reaction or side effects of medication	28
29	g. Emergency response.	29
30	h. If child is qualified and able to self-administer the medication.	30
31		31
32	4. The student shall be made aware that the asthma inhaler or	32
33	Epinephrine auto-injector is intended for his/her use only and	33
34	may not be shared with other students.	34
35	may not be shared with other students.	35
	5. The student shall notify the school name immediately	
36	5. The student shall notify the school nurse immediately	36
37	following each use of an asthma inhaler or Epinephrine auto-	37
38	injector.	38
39		39
40	The district reserves the right to require a statement from the	40
41	licensed physician, certified registered nurse practitioner or	41
42	physician assistant for the continued use of a medication beyond	42
43	the specified time period.	43
44	*	44
45	A written request for student use of an asthma inhaler and/or	45
46	Epinephrine auto-injector shall be submitted annually, along with	46
47	required written statements from the parent/guardian and an	47
48		48
	updated prescription.

2	Responsibility	students, parents/guardians, and staff this policy along with the	2 3
3		Code of Student Conduct.	
4		- m - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1	4
5		1. The school physician shall be the prescribing and	5
6		supervising medical professional for the district's stocking	6
7		and use of epinephrine auto-injectors. The Superintendent	7
8		or designee shall obtain a standing order from the school	8
9		physician for administration of stock epinephrine auto-	9
10		injectors.	10
11			11
12		2. The school nurse shall be responsible for building-level	12
13		storage of and administration of stock epinephrine auto-	13
14		injectors.	14
15			15
16		<b>3.</b> The building principal or designee shall annually notify	16
17		parents/guardians of their right to opt-out of the provisions	17
18		of this policy related to the administration of a stock	18
19		epinephrine auto-injector. To opt-out, a parent/guardian	19
20		shall sign and return the district's exemption form to the	20
21		school nurse. The signed opt-out forms shall be maintained	21
22		by the school nurse, and the school nurse shall provide	22
23		trained school employees with the names of students whose	23
24		parents/guardians have returned a signed opt-out form.	24
25			25
26		Student health records shall be confidential and maintained in	26
27		accordance with state and federal laws and regulations.	27
28		Ŭ	28
29		A student whose parent/guardian completes the written	29
30		requirements for the student to possess an asthma inhaler or	30
31		Epinephrine auto-injector and to self-administer the prescribed	31
32		medication in the school setting shall demonstrate to the school	32
33		nurse the competency for self-administration and responsible	33
34		behavior in use of the medication. Determination of competency for	34
35		self-administration shall be based on the student's age, cognitive	35
36		function, maturity and demonstration of responsible behavior.	36
37			37
38		To self-administer medication, the student must be able to:	38
39		·	39
40		1. Respond to and visually recognize his/her name.	40
41			41
42		2. Identify his/her medication.	42
43			43
44		3. Demonstrate the proper technique for self-administering	44
45		medication.	45
46			46
47			47
48			48
49		Page 3 of 7	49
50		Ŭ	50
	ı		1 -

1	4. Sign his/her medication sheet to acknowledge having taken	1
2	the medication.	2
3		3
4	5. Demonstrate a cooperative attitude in all aspects of self-	
5	administration.	5
	auministration.	6
6		4 5 6 7
7	The Superintendent or designee, in conjunction with the school	
8	nurse(s), may develop administrative regulations for student	8
9	possession of asthma inhalers or Epinephrine auto-injectors and	9
10	self-administration of prescribed medication.	10
11		11
12		12
13	When an asthma inhaler or Epinephrine auto-injector is initially	13
14	brought to school by a student, the school nurse shall be	14
15		15
	responsible to complete the following:	
16		16
17	1. Obtain the required written request and statements from the	17
18	parent/guardian and licensed physician, certified registered	18
19	nurse practitioner or physician assistant, which shall be	19
20	kept on file in the office of the school nurse.	20
21		21
22	2. Review pertinent information with the student and/or	22
23	parent/guardian, specifically the information contained on	23
24	the statement submitted by the licensed physician, certified	24
25	registered nurse practitioner or physician assistant.	25
	registered flurise praeditioner of physician assistant.	
26		26
27	3. Determine the student's ability to self-administer medication	27
28	and the need for care and supervision.	28
29		29
30	4. Maintain an individual medication log for all students	30
31	possessing asthma inhalers and Epinephrine auto-injectors.	31
32		32
33	Students shall be prohibited from sharing, giving, selling, and using	33
34	an asthma inhaler or Epinephrine auto-injector in any manner	34
35	other than which it is prescribed during school hours, at any time	35
36	while on school property, at any school-sponsored activity, and	36
37	during the time spent traveling to and from school and school-	37
38	sponsored activities. Violations of this policy may result in loss of	38
39	privilege to self-carry the asthma inhaler or Epinephrine auto-	39
40	injector and disciplinary action in accordance with Board policy.	40
41		41
42	If the district denies a student's request to self-carry an asthma	42
43	inhaler or Epinephrine auto-injector or the student has lost the	43
44	privilege of self-carrying an asthma inhaler or Epinephrine auto-	44
45	injector, the student's prescribed medication shall be appropriately	45
46	stored at a location in close proximity to the student. The student's	46
47	biolog at a location in close prominity to the oragonic life student of	47

	T		
1		classroom teachers shall be informed where the medication is stored	1
2		and the means to access the medication.	2
3			3
4	24 S.C. 1414.2	Standing Order From the School Physician	4
5			5
6		The school physician shall provide and annually renew a standing	6
7		order for administration of stock epinephrine auto-injectors to	7
8		students believed to be experiencing an anaphylactic reaction.	8
9			9
10		The standing order shall include at least the following information:	10
11			11
12		1. Type of epinephrine auto-injector.	12
13			13
14		2. Date of issue.	14
15			15
16		3. Dosage.	16
17			17
18		4. Signature of the school physician.	18
19			19
20		The standing order shall be maintained in the Superintendent's	20 21
21 22		office, and copies of the standing order shall be kept in each	21 22
23		location where a stock epinephrine auto-injector is stored.	23
24			23 24
25		Acquisition, Storage and Disposal of Stock Epinephrine Auto-	25
26		<u>Injectors</u>	26
27			27
28		One or more school employees shall be designated within each	28
29		school to be responsible for the storage and use of the stock	29
30		epinephrine auto-injectors.	30
31			31
32		Stock epinephrine auto-injectors shall be safely stored in the school	32
33		nurse's office or other location designated by the school nurse in	33
34		accordance with the drug manufacturer's instructions.	34
35		Stools oninonhrino quito injustore chall he made readily accessible to	35
36		Stock epinephrine auto-injectors shall be made readily accessible to	36
37		those employees who have completed the required training to administer it in the event of a student experiencing an anaphylactic	37
38		reaction. All properly trained employees shall be informed of the	38
39		exact location where stock epinephrine auto-injectors are being	39
40		stored within the school nurse's office or other location.	40
41		desired within the school harse's office of office focation.	41
42		The school nurse shall obtain sufficient supplies of stock	42
43		epinephrine auto-injectors pursuant to the standing order in the	43
44		same manner as other medical supplies acquired for the school	44
45		health program. The school nurse or designee shall regularly	45
46		inventory and refresh epinephrine auto-injector	46
