INTRODUCTION

Brownsville Independent School District (the "Company") established the Brownsville Independent School District Cafeteria Plan (the "Plan") effective 01/01/1995. This Summary Plan Description describes the Plan as amended and restated effective 01/01/2012.

This revised Summary Plan Description supersedes all previous Summary Plan Descriptions. Although the purpose of this document is to summarize the more significant provisions of the Plan, the Plan document will prevail in the event of any inconsistency.

ELIGIBILITY FOR PARTICIPATION

Eligible Employee

You are an "Eligible Employee" if you are employed by Brownsville Independent School District or any affiliate who has adopted the Plan. However, you are not an "Eligible Employee" if you are any of the following:

A self-employed individual (including a partner), or a person who owns (or is deemed to own) more than 2 percent of the outstanding stock of an S corporation.

A part-time employee who is expected to work less than 20 hours per week.

Employees who are not eligible to receive medical benefits under the group medical plan.

You are an "Eligible Employee" for purposes of the Premium Conversion Account on the date you become eligible to receive benefits from the contracts described for Premium Conversion Accounts in the Section titled "BENEFITS" below; but only if you are not a self-employed individual (including a partner) and you are not a person who owns (or is deemed to own) more than 2 percent of the outstanding stock of an S corporation.

Date of Participation

You will become a Participant eligible to receive benefits from the Plan on the first day of the calendar month coincident with or next following the date you first perform an hour of service as an Eligible Employee.

However, you will become a Participant eligible to make contributions and receive benefits from the Premium Conversion Account on the date you become eligible to receive benefits from the contracts described for Premium Conversion Accounts in the Section titled "BENEFITS" below.

You will stop being a participant eligible to receive benefits from the Plan on the date you are no longer an Eligible Employee or the date you terminate employment with the Company.

ELECTIONS

In General

When you become eligible to participate in the Plan, you may begin contributing to the Plan. All contributions will be credited to an account established in your behalf. Your contributions to the Plan are not subject to federal income tax or social security taxes.

Please note that while you may enjoy certain tax benefits, there may be some drawbacks to participation in the Plan. For instance, participation in the Plan may lower your social security benefits. You should consult with your professional tax/financial advisor to determine the consequences of your participation in this Plan.

Election Procedures

When you are first eligible to participate in the Plan, you must return a completed election form to the Plan Administrator on or before the date specified by the Plan Administrator.

After you are first eligible to participate in the Plan you will generally only be able to change your elections as of the beginning of each Plan Year. Prior to the start of each Plan Year, the Plan Administrator will provide an election form to you. In order to participate in the Plan for the next Plan Year, you must return the completed election form to the Plan Administrator on or before the date specified by the Plan Administrator. However, see "Modification of Elections" below for situations where you may modify elections at a time other than the beginning of a Plan Year.

If, as of the start of a Plan Year, you have not returned an election form by its due date, you will be deemed to have elected not to participate in the Plan for that Plan Year.

As of the start of every Plan Year, you are deemed to elect to contribute the entire amount of any participant-paid premiums for the Premium Conversion Account unless you otherwise elect in writing.

Modification of Elections

Generally speaking, you may only revise your elections as of the start of a Plan Year. However, in certain situations you may modify your elections upon a "change in status". A brief listing of events that constitute a change in status follows. Please note that there are several conditions and/or limitations that apply to the events listed below. Please contact the Plan Administrator if you have any questions or believe that you may qualify for an election change. A change in status includes:

Change in your marital status.

Change in the number of your dependents.

Change in employment status.

A dependent satisfies or ceases to satisfy eligibility requirements.

Change in your place of residence.

Commencement or termination of an adoption proceeding.

Court judgment, decree, or order.

Entitlement to Medicare or Medicaid.

Significant cost or other coverage changes.

You take leave under the FMLA

In addition, your election for your premiums will be automatically adjusted for any change in the cost of contracts as permitted by applicable law.

BENEFITS

Premium Conversion Account

When you become eligible to participate in the Plan, the Plan will establish a Premium Conversion Account in your name. This Account will be credited with your contributions and will be reduced by any payments made on your behalf. This account may be used to pay premiums on the contracts listed below:

Employer Group Medical

Employer Dental

Employer Vision

Employer Group Term Life

Other supplemental premiums that may be provided

If a contract is offered in conjunction with a Company-sponsored benefit plan, you will be eligible to make contributions to the Premium Conversion Account only if you are also eligible to participate in the applicable Company-sponsored plan, it is described above and you are eligible to participate in this Plan.

In the event of a conflict between the terms of this Plan and the terms of a contract, the terms of the contract (or the benefit plan under which it is established) will control.

Health Care Reimbursement Account

When you become eligible to participate in the Plan, the Plan will establish a Health Care Reimbursement Account in your name. This Account will be credited with your contributions and will be reduced by any payments made on your behalf. You will be entitled to receive reimbursement from this account for eligible expenses incurred by you, your spouse and dependents, if any. A dependent is generally someone who you may claim as a dependent on your federal tax return and also includes a child who is under the age of 27 through the end of the calendar year. You may receive reimbursement for eligible expenses incurred at a time when you are actively participating in the Plan.

The entire annual amount you elect to contribute for the Plan Year for the Health Care Reimbursement Account less any reimbursements already disbursed will be available for reimbursement. The maximum amount you may contribute each year is \$ 2,500.

Eligible expenses generally include all medical expenses that you may deduct on your federal income tax return, although health insurance premiums are not an eligible expense for the Health Care Reimbursement Account. Medicines or drugs are eligible expenses only if such medicine or drug is a prescribed drug (determined without regard to whether such drug is available without a prescription) or is insulin (unless otherwise excluded). You will not be reimbursed for any expenses that are (i) not incurred in the Plan Year, (ii) incurred before or after you are eligible to participate in the Plan, (iii) attributable to a tax deduction you take in a prior taxable year, or (iv) covered, paid or reimbursed from any other source.

Dependent Care Assistance Account

When you become eligible to participate in the Plan, the Plan will establish a Dependent Care Assistance Account in your name. This Account will be credited with your contributions and will be reduced by any payments made on your behalf. You will be entitled to receive reimbursement from this account for dependent care assistance. Dependent care assistance is defined as expenses you incur for the care of a qualifying individual. A qualifying individual is a dependent who is under age 13 or a spouse or dependent who lives with you and is physically or mentally incapable of caring for himself/herself. However, these expenses only qualify if they allow you to be gainfully employed.

Not all expenses qualify as dependent care assistance. Only expenses that are excludable from income under federal tax may qualify as dependent care assistance. Some examples of expenses that qualify are:

Before and after school programs

Care in your home or someone else's home (as long as the care giver is not your spouse or dependent and is age 19 or older)

Licensed child care center

Nursery school or pre-school

Summer day care (not overnight)

Please contact the Plan Administrator before enrolling in the Plan to confirm that the expenses for which you will seek reimbursement will qualify as dependent care assistance.

You will not be reimbursed for any expenses that are (i) not incurred in the Plan Year, (ii) incurred before or after you are eligible to participate in the Plan, (iii) attributable to a tax credit you take for the same expenses, or (iv) covered, paid or reimbursed from any other source.

The maximum amount of expense that may be contributed/reimbursed in any Plan Year is \$5,000 (\$2,500 if you are married and filing a separate return). The amount payable may also not be greater than the amount of your earned income or the earned income of your spouse. Special rules apply in the case of a spouse who is a student or incapable of caring for himself/herself.

You generally must file a Form 2441 to determine whether any part of your Dependent Care Assistance Account is taxable. Please note that participation in the Plan may prevent you from taking a tax credit for the same expenses. You should consult with your professional tax/financial advisor to determine the consequences of your participation in this Plan.

Coordination with Other Plans

All claims for benefits that are covered by an insurance policy must be made to the insurance company issuing such insurance policy.

Limits on Certain Employees

If you are a highly paid employee or an owner of the Company, federal law may impose limits on your eligibility to participate in the Plan and/or the benefits you may receive from the Plan.

FORFEITURES

Plan Year/Termination

Any amounts remaining in your account at the end of the Plan Year will be forfeited after all claims are paid. In addition, any balance remaining in your account on the date you terminate employment with the Company will be forfeited after all claims are paid.

Grace Period

However, the unused balance in your account that remains at the end of a Plan Year may be used for expenses that you incur during the grace period. The grace period is the 2-1/2 month period after the end of the Plan Year.

CLAIMS

Deadlines

You must submit claims for reimbursement within 164 days after the end of the Plan Year. However, if you terminate employment you must submit claims for reimbursement within 90 days after your date of termination.

However, the unused balance in your account that remains at the end of a Plan Year may be used for expenses that you incur during the grace period. The grace period is the 2-1/2 month period after the end of the Plan Year. Claims incurred during the grace period are due 90 days after the end of the grace period.

Documentation of Claims

Any claim for benefits must include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merits of the claim. The Plan Administrator may request any additional information necessary to evaluate the claim.

Method and Timing of Payment

To the extent that the Plan Administrator approves a claim, the Company may either (i) reimburse you, or (ii) pay the service provider directly. The Plan Administrator will pay claims at least once per year. The Plan Administrator may provide that payments/reimbursements of less than a certain amount will be carried forward and aggregated with future claims until the reimbursable amount is greater than a minimum amount. In any event, the entire amount of payments/reimbursements outstanding at the end of the Plan Year will be reimbursed without regard to the minimum payment amount.

Where to Submit Claims

All claims must be submitted to TASC at 2302 International Lane, Madison, WI 53704. The telephone number is 1-800-422-4661.

Refunds/Indemnification

You must immediately repay any excess payments/reimbursements or any payments/reimbursements that are taxable to you. You must reimburse the Company for any liability the Company may incur for making such payments, including but not limited to, failure to withhold or pay payroll or withholding taxes from such payments or reimbursements. If you

fail to timely repay an excess amount and/or make adequate indemnification, the Plan Administrator may: (i) to the extent permitted by applicable law, offset your salary or wages, and/or (ii) offset other benefits payable under this Plan.

Beneficiary

If you die, your beneficiaries or your estate may submit claims for Eligible Expenses for the portion of the Plan Year preceding the date of your death. You may designate a specific beneficiary for this purpose. If you do not name a beneficiary, the Plan Administrator may pay any amount to your spouse, one or more of your dependents or a representative of your estate.

Claim Procedures for Health Benefits

Application for Benefits. You or any other person entitled to benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim must be in writing and must include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim.

Timing of Notice of Denied Claim. The Plan Administrator shall notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 30 days after receipt of the claim. This period may be extended one time by the Plan for up to 15 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If such an extension is necessary due to a failure of the Claimant to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and the Claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

Content of Notice of Denied Claim. If a claim is wholly or partially denied, the Plan Administrator shall provide the Claimant with a notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) any material or information needed to grant the claim and an explanation of why the additional information is necessary, (4) an explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA, and (5): (A) If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Claimant upon request; or (B) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.
