Dear Community Members,

Yesterday, *OregonLive* posted an article titled, “No charges in Catlin Gabel sex abuse scandal, Washington County DA concludes.” You may read the article [here](#).

Our investigation, which was referenced in the article, led to substantive improvements in how we ensure the safety and well-being of our students. We updated our adult-student conduct guidelines in all divisions based on recommendations from the National Association of Independent Schools, launched the anonymous reporting system through SafeSchools, and further developed our existing mandatory training processes for all employees. You can learn more about our [safety resources here](#).

If you have any questions or concerns, please do not hesitate to reach out to me.

With gratitude for your support and our partnership,

Tim Bazemore
Head of School
