

SOCIAL DISTANCING

Keeping a safe distance of at least 6 feet between students and staff is critical to our safety.

Directional cues such as signs, arrows, and tape are being used to help with the flow of traffic. And, staff and students are encouraged to travel outside as much as possible.

The number of people in a restroom are limited and will be monitored by staff.

NEW STUDENT ORIENTATION

On Wednesday, March 17th we will host an in-person New Student Orientation for those students that are signed up for cohort A and cohort B. A new student is a current 9th grader and someone who enrolled at SBHS this school year. The purpose of the orientation is to help new students get a feel for the campus and for the safety protocols as we prepare for in-person learning. If you have any questions, please contact Nate Mendoza at nmendoza@sbunified.org. Details of the event will be shared with families via Parentsquare.

WEBSITE & FEEDBACK

If you have feedback, please contact Principal Elise Simmons at esimmons@sbunified.org.
