Big check, big cause

Challenge Charter School, 5801 W. Greenbriar Drive, raised \$4,000 for the American Red Cross to help Hurricane Katrina survivors. Second-graders Ashley Robertson and Kyle Foster-Klaus raised nearly \$1,000 each and were honored Nov. 4 by Principal Greg Miller, left, and American Red Cross Chief Operating Officer John Phelps. Students also showed support by writing letters and poems to hurricane survivors.
