[Third member of faculty tested preliminary positive]

MARCH 14, 2021 HONG KONG – The Harbour School (THS) learned earlier this afternoon that a third member of faculty has tested positive. All three members of faculty tested positive work at the Grove campus at 332 Ap Lei Chau Bridge Road.

On Friday, March 12, two members of faculty were tested positive. The first member attends Ursus gym and the second member of faculty works closely with the first and considered a close contact. The families of both faculty members are already in quarantine.

The third member of faculty tested positive this afternoon. He is considered a close contact of the first faculty member.

The school has not been contacted by the Centre of Health Protection (CHP) . It learned from this afternoon's CHP press conference about a government quarantine order for six THS teaching assistants and 35 students but have not learned of this directly through the CHP.

At the time of this press release, the school still has not heard from the CHP.

The school reiterates that all students and teachers were masked on campus and the school strictly follows CHP guidelines on infection control including daily temperature checks at home and at school, regular hand sanitation, mandatory masking and social distancing. Additional precautionary measures include the requirement of doctor clearance before re-admittance to school for students and staff related to absence due to illness.
