

Site & Facilities Committee Meeting
Adlai E. Stevenson High School District Administration Center
February 11, 2019 - 5:30 p.m.

Garlath Lynch, Saline, Wes LePrett, Steve Frost, Jim Conrey, Terry Moons, Eric Twadell, Amy Neault, Mark Onuscheck, Rick Dewar, Jeff Masters, Sean Carney, Melissa Mickey, Carol Adamczyk, Heena Agrawal, Craig Spiepka and Gary Gorson (6:27 p.m.)

East Building Addition Change Order

Discussions focused on the fire suppression system and the unexpected cost the District occurred due to a change in Wight's procedures.

Summer 2019 Bids

Projects for Summer 2019 include: Social studies/world languages office; fine arts/communication arts office; applied arts/fine arts classroom, east building science rooms, little theater improvements, tuck pointing & wall repair, admin bldg. roof/hvac interior West Building. Domestic hot water heater replacement, carpet replacement, parking lot D expansion & turf replacement.

Improvement to Academic Facilities Summer 2020

Projects discussed for Summer 2020 include: West Building sewer main replacement – phase 1 south half; toilet renovations, journalism/yearbook renovation; building tuck pointing & exterior wall repair; carpet replacement; west building emergency generator replacement (replace diesel with natural gas); roof replacement (west building); southeast courtyard improvements; stadium improvements (repair track, turf, perimeter chain link fence and perimeter paving, replace scoreboard, add path and gate for band access to stadium, west (visitor) bleacher toilet room refurbishment), pool filter.

Recommendations: Approve Summer 2019 bids and authorize Wight & Co. to move to schematic design phase.

7:11 p.m.
