

Student Information Update

ANNUAL INFORMATION UPDATE

Distributed: May 10, 2021

Deadline to Return: June 10, 2021

Students may not begin the school year if their parents have not submitted updated student contact and emergency information. This information is submitted electronically via PowerSchool.

On May 10, parents will receive an email from the school office with instructions on how to submit their information update through PowerSchool. Updates must be submitted for each child enrolled at Sacred Heart. Updates must be completed no later than June 10.

Families login to PowerSchool using the same credentials used when submitting their enrollment contracts. For login assistance, please email support@powerschool.com or call 866.434.6276 (for enrollment support, press 1 and then 5). Parents may also contact [PowerSchool Technical Support](#) through their online chat feature or search the [community forum](#) for common questions.

For other questions about the update, please email shsso@shschicago.org or call 773.262.4446 and ask for the school office.

All families are asked to submit the following information:
