

Site & Facilities Committee Meeting
Adlai E. Stevenson High School District Administration Center
January 9, 2017 – 5:30 p.m.

Sean Carney, Jill Lisius, Merv Roberts, Jason Carlson, Terry Moons, Steve Frost, Bruce Lubin, Eric Twadell, Mark Onuscheck, Carol Adamczyk, David Weisberg, Sunit Jain, Jim Conrey, Melissa Mickey, Steve Wood, Troy Gobble, David Powell, Jeff Masters, Tony S, Kevin Havens and Don Carmichael.

Future Growth

Discussions focused on accommodating rising student enrollment, developing next generation learning spaces (21st century & beyond), green roof and greenhouse as teaching spaces, building design spaces complimentary to the existing structure, but with unique identity and implementing sustainable teaching techniques. Discussions also focused on summer school, clubs and curriculum.

Sustainability/Net-Zero Project

An overview was provided of the Illinois Clean Energy Community Foundation grant, which offers a grant for projects pursuing Net Zero Energy certification. Discussions focused on cost, performance contract, solar arrays, energy efficiency, consumption, wind turbines, heaters and savings. Also discussed was the advantages and disadvantages of this type of project in the Midwest.

Recommendation: District to pursue Energy Petal Certification (a grant requirement).

7:20 p.m.
