

# Davis Tiered Supports Focus School Agreement

## Goals of MTSS

The goals of Davis MTSS implementation include:

- 1) Capacity for school teams and staff to provide evidence-based instruction and interventions for all students in academics and social-behavior areas
- 2) School teams utilizing data to solve problems and improve practices for students
- 3) Improved academic and behavioral outcomes for students

## Requirements for Participation

Schools may choose to participate as a focus school in one of the following areas. The descriptions below outline the level of commitment and supports that will be provided from tiered supports staff.

#### [Agreement questions](#)

Please answer the following questions for the district team to consider submission for participation and to plan the necessary support of your team.

- 1) What area/topic would you like to focus on as a school?**
  
- 2) What is your TSSP goal related to the focus area of interest?**
  
- 3) How much does your school budget have allocated for implementation of this focus area?**
  
- 4) What do you hope to achieve in implementing the focus area?**

- 5) **What school team (SEL, MTSS, LCMT, Behavior) will oversee the implementation of the focus area?**
- 6) **What other school or district initiatives is your school implementing with which MTSS would need to be aligned?**
- 7) **Is there anything else the district implementation team should be aware of in consideration of your submission for participation?**
