LISLE ELEMENTARY SCHOOL

Dear Parents/Guardians,

Welcome to Kindergarten! Lisle Elementary School is pleased to welcome you to the 2021-22 school year! We are excited to work with your child as he/she grows as a learner and individual!

Kindergarten in Lisle 202

Parents will have the option to register for either full day or half-day (morning only) kindergarten. Our full day program provides additional instructional minutes earlier in the student's educational career to develop reading, writing and math skills. In addition, the full day program provides time for developmental play-based learning that is rigorous and intentional to integrate a focus on social-emotional learning. Full day students also participate in classes such as art, music, physical education, and technology.

Registration Process

This year we will offer full online registration and building tour appointments to our families in lieu of a walk-in registration night. Please carefully read the information and registration steps below to ensure your enrollment goes smoothly. The online registration process must be completed and the proofs of residency must be submitted before your child may begin attendance in the fall.

Building Tours

We can't wait to meet our new learners! This year we are offering building tours to our incoming parents and students to see the school first hand.

- We welcome your immediate family members (mom/dad/guardian and siblings) during the visit where you will see our Kindergarten classrooms, specials areas, and our Learning Center.
- Please do not arrive more than 1-2 minutes early for your visit as we will be staying as close to schedule as possible to limit the number of people in the entrance.
- Individuals who attend the Building Tours must follow social distancing and wear a face mask at all times while inside the school building.

Please sign up for a building tour appointment by going to <https://bit.ly/LisleKindergarten2021> or scanning the qr code below.

As a reminder, **children must be 5 years old on or before September 1, 2021 to be eligible for kindergarten.**

We look forward to watching your child grow during their years at Lisle Elementary!

Warmly,

Mrs. Gosselink
