Materials

01

Empty Water Bottle

02

Vegetable Oil

03

Alka Seltzer

04

Water

05

Food Coloring

Pour your vegetable oil into
your water bottle (filling it a
little more than half way)

Step 1

Step 2

Add just a little bit of water
(you do not want to fill it all
the way to the top)

You will now take your food coloring and add in however many drops you would like

Step 3

Step 4

Next, break your Alka Seltzer tablet in half and place into your bottle & WATCH THE MAGIC HAPPEN! 😊
