

16 March 2021

Dear Parents and Carers,

Welcome Back!

We are so excited to have the children back in the classroom, and we look forward to spending the remainder of the term together. We have attached our Knowledge Organisers for 'Forces and Magnets' and 'Rivers'. Forces and Magnets will be a new topic for the children and Rivers we began whilst they were learning at home.

We understand that some children may be feeling a little anxious about returning and we will do our very best to settle them in and support them through this period of transition.

Please be assured that the children's wellbeing is at the forefront of our minds. We will be giving the children time and space over the coming weeks to reconnect with their peers and share their experiences of Lockdown as well as their feelings about returning to school.

We will not be sending any homework tasks for the duration of the term. We will expect reading to happen daily and be recorded in the reading records. We will also send home weekly spellings starting Friday 19th March and these will continue to be taught in groups at school.

Our P.E. days will be Mondays and Wednesdays and the children can wear their P.E kits to school on these days.

As always, if you have any questions or concerns please do let us know, either by emailing the school office or contacting us on Seesaw.

Thank you for your continued support.

Kind regards,

Year 3 Team
