

# DONNA KLEIN JEWISH ACADEMY

---

## **Middle School Science Teacher 2021- 2022 School Year**

Donna Klein Jewish Academy, an independent non-profit school for children grades Kindergarten through grade 12, is a Jewish community day school serving families from a broad spectrum of Jewish backgrounds and religious practices. The school was founded in 1979 and lives its mission: To educate our children and the greater DKJA community to be knowledgeable and responsible citizens of the world, committed to Jewish values and lifelong learning.

We are looking for a science teacher who is committed to student success, fosters an environment of learning for multiple levels of students, willing to think outside of the box, be resilient and adaptable, and contribute to the DKJA team environment. Planning, preparation, and commitment to excellence is a must. The candidate must be able to:

- Teach middle school science courses including but not limited to life sciences, physical science, and environmental science with a knowledge of physics and chemistry
- Plan for differentiation of curriculum to meet student needs
- Relate well to parents and students at all levels and maintain ongoing communication between the parents and the school
- Monitor student progress and report information in a timely manner
- Work well in collaboration with peers
- Serve as an advisor to a select number of students

Candidates must possess a Bachelor's degree and/or Master's degree from an accredited university and be able to provide transcripts at time of hire.

To apply please send resume and cover letter to, Andrea Farrar, HR Manager at [farrara@dkja.net](mailto:farrara@dkja.net)
