

# LIFE EVENTS NOTIFICATION

While you are generally only allowed to change your benefits elections during the open enrollment period each year, certain life events provide an exception. Those life events allow you to change your benefits elections in the middle of the plan year if certain requirements are met. Please be advised that all corresponding paperwork required to make the enrollment change must be submitted to The Office of Health and Wellness within 30 days of the Qualifying Event or change may not be processed. The following are examples of types of life events that may allow you to change your benefit elections during a plan year:

- Birth/Adoption
- Change in Insurance Coverage
- Change in Employment Status
- Death in the Family
- Dependent Child Reaches Limiting Age
- Divorce/Annulment
- FMLA-related Leave
- Legal Separation
- Marriage
- Spouse Loss of Other Coverage

Please notify The Office of Health and Wellness immediately if you experience any life event changes so that we can ensure there is no interruption or error in your benefits. Please contact The Office of Health and Wellness with additional questions.
