Salt Lake School District's Policy S-10-440 requires that all K-6 students be aware of the following: Section 7-12 requires that school property be protected and maintained. Any damage to school property will result in disciplinary action. Students are responsible for any damage to school property. Disciplinary action may include loss of privileges, detention, suspension, or expulsion. Students should report any damage to school property immediately. Students who witness damage to school property should report it to the appropriate authority. Students who intentionally damage school property may be held responsible for the cost of repair or replacement.
