Start Time	Time Allocated	Person Submitting	Topic	Details:	Discussion Notes:
7:00	10	Brian	Lockdown Browser	What the Lockdown Browser is, how the test pilot is going, and the cost going forward?	<p>Respondus Lockdown Browser: Additional cost Integrates with Schoology Jake Zetah has been piloting and really likes it. We will be moving forward with purchasing it unless anyone has any concerns.</p> <p>We will be moving forward with Respondus Lockdown Browser. Email Brian if you have questions or concerns.</p>
7:10	10	Mary	Apple Training Days	<p>Apple Training Days (10 left)</p> <p>Ideas so far... Open Office Hour Days Tech Camp Tech Experts Coached and Trained Back-to-School Just lose them</p>	<p>Apple Training Today Additional 10 day left - until the travel ban has been lifted they will be virtual. They can be used next school year. Trainer is really advocating for a coaching style training rather than large scale training. We would then use a train the trainer model. Creating Tech Experts. We want to get people who are really interested in being a trainer so that training continues on to other staff. Brian will talk further with Admin on how we would pay these Tech Expert coaching positions.</p>
7:20	10	Greg	Brainstorming Session about App requests for MacBook and iPads	JAMF system controls apps being pushed out- what process do we want moving forward for requests/approval?	<p>Break Out Discussion</p> <ul style="list-style-type: none"> - App Form that a department head that will fill out. - Distinguish the difference between a curriculum app and a usability app - Discussion curriculum apps further with curriculum committee
