Preparing for 9<sup>th</sup> Grade,  
High School, College and

**BEYOND**

A futuristic spacecraft is shown flying over a planet. The word "BEYOND" is written in large, bold, 3D letters across the scene. The background features a bright, colorful sky with clouds and a sunburst effect.

# What is a PCCR?

## PCCR

Planning for College and Career Readiness

College = ANY formal training beyond high school  
1, 2, or 4 years or more!!

# When Is My 8<sup>th</sup> Grade PCCR?

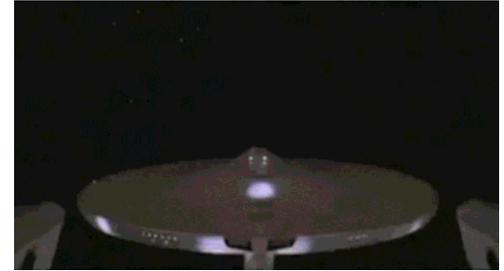

- **RIGHT HERE, RIGHT NOW! This is your 8<sup>th</sup> grade group PCCR!**
- We will discuss class selection options as well as give you general guidance so you can make great choices for classes next year.
- **Students** – You will take this information home, fill out the forms with a parent and return it to your Thunder Academy teacher **NO later than Wednesday, March 24.**
- **Detailed course descriptions** are on-line to read to know what is covered in the class. Visit CJH website –counseling-course descriptions.
- **If you or your parent has a question or need help, please email or call your counselor.**

# What is the mission of this Group PCCR?

1. Explore classes for 9<sup>th</sup> grade
2. Ensure that you make well-informed choices for high school which will open doors to educational and occupational opportunities.
3. Make sure you are aware of actions and decisions which may close doors to future opportunities.
4. Answer questions you may have about your immediate and long-term educational future.

# To Graduate from High School:

- You must earn 27 credits between grades 9-12
- You may not have any outstanding U's (citizenship)
- You must complete specific required classes

## What's a Credit?

Passing = A, B, C, D, P – anything but an F!

1 term of 1 class = .25 credit

1 semester (2 terms) of 1 class = .5 credit

1 year (4 terms) of 1 class = 1.0 credit

**“We often fear  
what we do not  
understand. Our  
best defense is  
knowledge.”**

# Specific Class Requirements for Graduation

Students must PASS the following core classes:

Language Arts (English) – 4 years

Science – 3 years

Mathematics – 3 years

Social Studies –

one year each of *World Civilization* and *U. S. Studies*,

one semester each of *Geography* (9<sup>th</sup> grade) and

*U.S Government/Citizenship* (12<sup>th</sup> grade)

# Students Must Take and Pass the Following Classes:

**Physical Fitness** – Fit For Life and **two**  
PE classes of your choice - 3 semesters

**Health 2** - 1 semester (10 grade)

**Financial Literacy** - 1 semester

**Fine Arts** – music, art, drama, dance - 3 semesters

**Career Technology Education** – 2 semesters

**Digital Studies**– 1 semester class

# Recommended Classes for College-Bound Students

- 4 Years of English
- 4 Years of Mathematics
- 4 Years of Science
- 3.5 to 4 Years of Social Studies

You can begin **on-line classes** the summer **BEFORE** your 9<sup>th</sup> grade year.

# Applications for “Specialty” Classes

Some classes require applications:

- **Yearbook** to Mrs. Cassil
- **Stage Crew** to Ms. Howell
- **Peer Tutor** to the counseling center
- **Media Assistant** to Mrs. Johnson
- **Office Assistant/Counseling Assistant** to Counseling Center Secretary

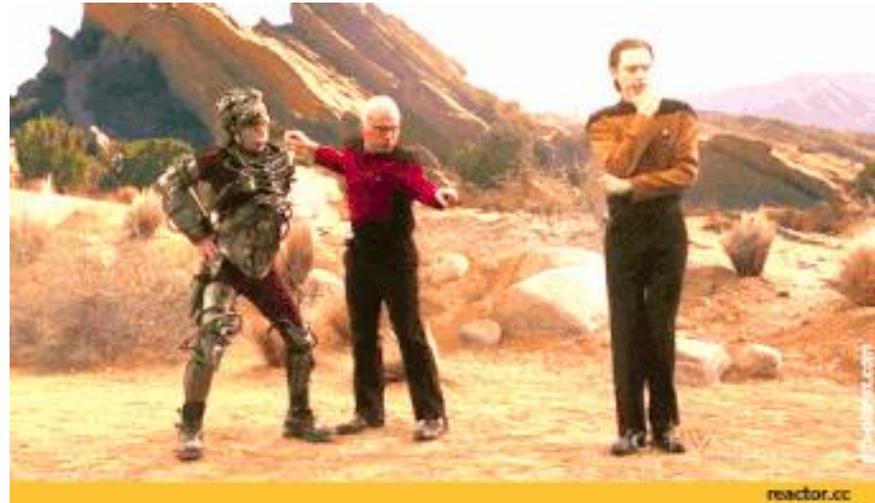

**All applications** are available in the counseling center **OR** on the Counselor webpage – 2021-22 Course Descriptions, Class Request Forms and Applications– **Observe due dates!**

**Teacher Assistant:** Contact the teacher you’d like to work with. The teacher and student will sign a TA Contract. The **TEACHER** will return it to the counseling center.

# “Specialty” Classes - continued

Some classes require elections, nominations or auditions:

- Student Body Officer
- Cheerleading
- Hope Squad
- Rolling Thunder
- Jazz Band
- Musical Theatre

**Listen to Announcements & look on the CJH webpage  
For dates and information!!!**

# OnLine Learning with Davis Connect

- You can start the summer before your 9<sup>th</sup> grade year
- Your counselor can sign you up mid-May
- There is a form to be filled out (in the counseling center)
- There will be a fee for summer classes
  
- During the school year, online classes can be taken and there is no fee.
- Students completing their Summit courses can take online classes to get ahead.
- **See your counselor for class choice and questions if you are interested.**

# Honors classes vs. traditional

- **Honors is NOT more work it is deeper learning**
- Anyone can choose an honors class
- You will circle the level you are choosing
  
- Secondary Math 2 is for students who are taking Secondary Math 1
  
- Biology vs. Earth System
- You **MUST** be in honors Math this year and take honors Math next year to sign up for Biology (by taking Biology in 9<sup>th</sup> grade you will be taking physics or chemistry your 10<sup>th</sup> grade year, which are more math based)
  
- AP Human Geography
- This is a COLLEGE class, be prepared to **WORK!** Students average 40 minutes of homework 5 days a week.

# Physical Education

- **PE is Not required in 9<sup>th</sup> grade**
- CJH is offering 5 PE classes – see course descriptions.
- You will need 1.5 credits or 3 semesters of PE to graduate from High School.
- Fit-For Life is the one required PE class – it is not offered at CJH. It can be taken online.
- In High School, if you participate in drill team, cheerleading, a team sport, marching band or color guard you can be enrolled in a Canvas course to receive your Fit-For Life credit.
- If you are planning on participating in a high school sport in the next 4 years, most likely you will receive PE credit by taking a team conditioning class in High School.

# Marching Band - FHS

- **Did you know** that you can get P.E. credit by joining the marching band at Farmington High School?
- Students can earn one semester of P.E. credit for each year that they participate in marching band. (Fit for Life is a little extra work through Canvas)
- **Did you know** that you don't have to play an instrument to be part of the marching band?
- Anyone, (boys and girls) can join the color guard and be part of the marching band. No experience necessary!
- **Did you know** that you can participate in marching band starting the summer after you finish 8<sup>th</sup> grade?
- Marching band starts during the summer and runs through the first quarter of the next school year.
- Want to learn more?

**Jr. High Honors Courses  
Indicators for Student Success**

Please thoughtfully consider the following criteria as you are deciding about whether Jr. High honors level courses will provide the most appropriate learning environment. A student should:

1. Typically receive a 3 (Proficient) or 4 (Highly Proficient) on the yearly Student Assessment of Growth and Excellence (SAGE) test in the specific subject area students are considering taking an honors course in.
2. Consistently earn an "A" or "B" (or a "3" for 6<sup>th</sup> graders) for the subject in which students desire to take an honors course.
3. Have a high level of interest and strong desire to be challenged in the subject in which they would like to take an honors course.
4. Consistently exhibit most of the following characteristics:

**Learning/Intellectual Characteristics:**

- Enjoys tasks that are more challenging than average
- Has a ready grasp of underlying principles and can quickly make valid generalization about events, people, and things
- Tries to understand complicated material by separating it into its respective parts
- Analyzes problems and considers alternatives
- Enjoys complex concepts and processes

**Motivational/Affective Characteristics:**

- Becomes absorbed and truly involved in certain topics or problems
- Needs little external motivation to follow through in work completion
- Often requires little direction from teachers
- Is highly self-motivated and persistent
- Has high expectations of self and others

**When deciding whether to enroll a student in a particular subject area honors course, please consider the following subject specific characteristics:**

**Math/Science:**

- Is interested in numerical analysis
- Has a good memory for storing main features of problems and solutions
- Reasons effectively and efficiently
- Organizes data and experiments to discover patterns or relationships
- Is flexible in solving problems

**Social Studies/Language Arts:**

- Has advanced vocabulary for age or grade level
- Reads a great deal; does not avoid difficult material
- Enjoys language/verbal or written communication; has advanced communication skills
- Organizes ideas and sequences in preparation for speaking and writing
- Likes to study and research various areas of interest

In short, students that are successful in honors courses are those that are proactive in class, generating ideas independently with a willingness to examine their thoughts. Also, rigorous study and participation are crucial for student success. If a student is not prepared to work hard and engage in academic discourse, these classes are not the right fit.

*I have read and understand the indicators for student success sheet. I understand the obligations my son or daughter will have in taking honors classes.*
