

THE FORUM ENTERPRISES

The Forum Enterprises Minority Scholarship is dedicated to assisting minority students who are pursuing post secondary education after graduating from high school. We are looking for student leaders, who demonstrate a strong commitment to improving their community, who are motivated to succeed, and who will benefit from our program offerings. The scholarship recipients should exhibit a strong potential for academic achievement, but “face socioeconomic challenges”.

We weigh transcripts, essays, financial need, and letters of recommendation (3 letter minimum) in determining who advances through the selection process. Our application lists the criteria considered when making decisions regarding the recipients. A committee will review all submitted documents and collectively make final selections.

Scholarship amount is TBA.

Thank you for applying for our scholarship.
