

Calvert County Public Schools
Exit Expectations
High School Theatre I

All exiting Theatre I students should be able to do the following:

1. Understand the relationship between theatre and society throughout history and its role in today's society.
2. Explore and develop a working knowledge of ensemble work.
3. Know and follow the safe practices of a working theatre.
4. Understand and implement the various methods of script analyses and explore their use in scene work and design projects.
5. Gain an understanding of Stanislavski's system of actor training and use it to understand its relationship to subsequent acting styles.
6. Explore the use of the tools of acting: Voice, body and Imagination.
