

COMMUNITY Profile

Featuring The Gregory Center

FOR APPLIED BEHAVIOR ANALYSIS

50 Foote Ave, Duryea, PA: (570) 299-5916
410 Hamlin Highway, Hamlin, PA: (570) 503-7963

- The Gregory Center is an intensive behavioral health center providing ABA therapy to individuals from birth to 21. We are trained in the Analysis of Verbal Behavior, Essentials For Living programming, various data driven social skills curriculums and school-based interventions. We offer clinic, home, and school-based ABA therapy services.
- We serve as a training and supervision center for upcoming clinicians and are always hiring with the goal of sharing the best ABA principles and procedures available in the area.
- We offer programming in the following areas: language acquisition, toilet training, Activities of Daily Living, Social skill building, and behavior reduction.
- We accept most insurances and work cooperatively with our area school districts to provide the best life experiences for our clients.

Local resources,
opportunities,
and support for
the Autism community.
