The Pennsylvania Autism Action Center

- Our mission is to improve the lives of children and families on the spectrum, by being the community leader in providing high-quality and individualized integration services and programs that can assure a life of dignity and enhance each child's opportunity to achieve their full potential.
- Pennsylvania Autism Action Center offers center-based Applied Behavior Analysis, Occupational Therapy and Speech. Our services are designed to positively change cognitive skills and social skills in children on the autism spectrum.
- PAAC believes every child deserves a bright future, and the diversely experienced PAAC team works diligently to unlock the potential of each child who is entrusted to them. Their team possesses the tools and the heart to help children on the autism spectrum succeed.
- The team also provides community training for 1st responders and businesses to best serve the families they work with.
- PAAC currently serves over 100 families in NEPA through their treatment programs. Led by a compassionate team of Board Certified Behavior Analysts, OTs, and SLPs aspiring to unlock the potential of its clients, using a one-on-one approach with individualized treatment plans in a fun, exciting environment.
