

Per the 2019-23 Constitution, the 2021-22 compensation schedules were developed by increasing the 2020-21 schedules by the Consumer Price Index percentage for the given year (1.4%). In addition, subject to satisfactory performance and where applicable, an educator shall advance one step from the prior year on the salary schedule. For those whose 2018-19 salary placement was in either Master's Lane M-L+6 or above OR in Bachelor's Lane B-Z+1 or above will receive the relevant amount on the schedule or a minimum raise each year (\$1500 – MA 2021-22, \$500 – BA 2021-22), whichever is greater.
