

MCA 2021

Set up

- Ipads need to be cleared to have enough space to run the test.
- All classrooms set desks up in rows the night before.
- Students that finish by the eighth will be taken out of the classroom. We will test with buddy classrooms if needed. (Bentson/Sorum) (Palesch/Williams)
- Make ups will take place on the Friday following the test. If more time is needed we will create a schedule once we see what the need is.
- Small group testing will take place in the following rooms: setting two, back library space
- All digital classrooms will be taking their tests at the same time as in-person learners.
