

GENERAL ENROLLMENT INFORMATION

BEFORE YOU ENROLL, CONSULT A COUNSELOR.

For courses required for graduation or grade level advancement, student and parent should consult with their high school counselor prior to enrollment. **Core classes are for credit recovery only.** Students must enroll in the corresponding session in which the course credit is required. Students may enroll in one class per session. Some courses may be taught online through Edgenuity.

WHEN TO ENROLL.

March 8	SMSD Students
June 7	Session 1 enrollment closes*
July 6	Session 2 enrollment closes*

*SMSD incoming freshmen enrolling in Health Education or Intro to Studio Art must enroll by May 28 for either session.

WHERE TO ENROLL.

- **SMSD Students** must be actively enrolled in a Shawnee Mission high school and should enroll in Summer Academy courses at their high school counseling office. Parents/guardians must pay for the course with online fee payment in eFunds or to their high school bookkeeper at time of enrollment. **Full payment is required at time of enrollment.***

- **Current non-district students who have enrolled in a Shawnee Mission high school for next year**, may enroll *only for PE courses (current 8th graders, only for Physical Education Concepts)* at that high school. **A health history form and proof of immunizations is required for these students.** Registration is not complete and students may not attend class until these forms are received in the Summer Programs office *before* class begins.

*Payment not received within 48 hours of enrollment will remove student from the course. Partial payments or payment plans are not accepted.

TUITION. Visa, MasterCard, American Express, or Discover are accepted. eFunds transactions will be charged a \$3 convenience fee. Please make checks payable to Shawnee Mission School District.

SMSD Students:	\$170.00 per session*
Art Class	\$205.00 per session-includes supply fee*

*Includes textbook rental and parking

MINIMUM CLASS SIZE/CANCELLATION OF CLASSES.

A minimum number of students is required for each course to be offered. *Early enrollment and payment is strongly advised to assure placement.* Staffing is based on enrollment needs and students will be notified if a class must be canceled due to insufficient enrollment.

TRANSPORTATION IS NOT PROVIDED.

SESSION 2 ENROLLMENT. Please read carefully. Summer enrollment begins on March 8. *These classes will fill quickly; enroll and pay early.* If space is available, enrollment will be accepted until July 6. SMSD incoming freshmen enrolling in Health Education or Intro to Studio Art must enroll by May 28. **No enrollments accepted after these dates.**

Revised 3/18/2021

GENERAL ENROLLMENT INFORMATION

WITHDRAWAL & REFUND POLICY. Summer Academy is financially self-supported through student tuition. Fees are **not** refunded if credit is lost due to excessive absences, failure to appear for class, or poor quality work. If a student is withdrawn from a class for any reason (other than the class is canceled), they will be charged a **20% cancellation fee.** There are **no refunds after the deadline date.** A written or email request from the parent is required for a withdrawal or refund to charlenesimmons@smsd.org.

Last day to switch sessions if space available: May 17.

Last day to request a first session refund: May 17.

Last day to request a second session refund: June 14.

No refund if you enroll after the refund dates. NO EXCEPTIONS

ATTENDANCE. Students enrolled in credit courses must maintain regular attendance. The accelerated schedule of Summer Academy requires frequent assessment. A loss of credit will result if a student exceeds the **maximum absence limit of two days.** *Students should not enroll in a summer school session if they know that they will miss more than two days of class for camps, vacations, etc.* *Cheer, dance, sports, or any types of camps are not allowed as a substitute for physical activity, attendance, or credit for any course.* If a student fails to show up for class and the parent has not called, the office will call home. A registered school nurse is on duty to provide needed services including the administering of all medications. Please inform the nurse of any special needs your child may have. *A health history form and proof of immunizations is required for all non-district and new students who are enrolled in a SMSD high school for fall.* Registration is not complete and students may not attend class until these forms are received in the Summer Programs office *before* class begins.

FINAL EXAMS. In keeping with the Shawnee Mission Board of Education Policy, all students are required to take a final examination. The final exam will be given on the last day of each session from 8:00-9:30 a.m. **Students must be in attendance on that day. NO EXCEPTIONS.**

FIRST DAY OF CLASS. Students who are enrolled must report to the cafeteria at SM South by 6:50 a.m. to locate their classroom. Rosters and room numbers will be posted and administrators will be on duty to help guide students to the correct location. Students should bring a laptop if required, paper and pencil first day. PE students should dress appropriately and be ready for physical activity.

LIBRARY SERVICES. The SM South library will be available to students enrolled in Summer Academy classes during normal class time hours. All materials checked out from the library must be returned by the end of each session or charges will be assessed.

STUDENT PARKING. Parking is included in tuition. All students who drive and park on campus should park in **designated student parking areas only** on the south side of the building. Students are to drive in a safe and prudent manner when entering and exiting the campus. Failure to do so may result in parking privileges being revoked.

Classes for Summer 2021

**Class Time: 7:00 a.m. - 12:00 Noon
Monday - Friday**

**Class Dates: Session 1 June 14-July 2
Session 2 July 12-30**

**Location: SM South High School
5800 West 107th Street
Overland Park, KS 66207**

Eddie LyDay, Principal

Summer Programs Main Office

913-993-9740

Fax 913-993-9435

<https://www.smsd.org/academics/summer-programs/summer-academy>

Summer Academy (at SM South) Office Information:

(6:30 AM - 12:30 PM during program weeks only)

Academy Office 913-993-9420

Academy Attendance 913-993-9402

Academy Nurse 913-993-9404

SUMMER ADMINISTRATIVE OFFICE. If you need assistance or would like to speak with an Academy administrator, they are available Monday, June 14 through Friday, July 30 from 6:30 a.m.-12:30 p.m. The Academy office is closed the week of July 5. Please do not call the SM South main office.

TECHNOLOGY• SMSD students who enroll in Academy courses requiring technology before the end of the school year will retain their SMSD MacBook for Summer Academy use. Proof of enrollment and payment will need to be provided to the student's home school at the time of device check-in. If a student enrolls after device check-in, they will need to contact their school's administration before June 14 with proof of enrollment and payment to check out their device. SMSD incoming freshmen enrolling in Health Education or Intro to Studio Art must enroll by May 28 for either session. After these dates, enrollments cannot be accepted nor devices provided. Incoming freshmen and graduating seniors will turn in devices at the end of their summer course. The Responsible Use Policy, Acceptable Use Policy and the Damage Device Structure are still in effect for Summer Academy as during the normal school year.

CREDIT BY EXAMINATION IS NOT ALLOWED.
Auditing is allowed if indicated at time of enrollment and payment.

Current non-district students who have enrolled in a SMSD high school for next year may only enroll for PE courses.

ART - Requires SMSD MacBook

Introduction to Studio Art *Grades 9-12 by Fall 2021* #7536
This drawing/design-based course functions as an introduction to the elements of art and the principles of design within the confines of a studio environment.** *Prerequisite for all art courses. Additional supply fee of \$35.00 included in tuition. **Course earns 1/2 unit credit.*

HEALTH and PHYSICAL EDUCATION

Physical Education Concepts ★ *Grades 9-12 by Fall 2021* #8032
This course provides an opportunity for students to participate in a variety of physical concepts and learn the value of quality lifetime physical fitness. Units may include: individual, dual, and team sports, fitness-based activities, rhythmic activities, and aquatics.**

Health Education *Offered JUNE ONLY • Grades 9-12 by Fall 2021* #9220
Requires SMSD MacBook.

This course curriculum includes content in the areas of mental health, human growth and development, addictions, fitness for life, disease prevention, nutrition, personal relationships, and abstinence-based human sexuality.**

Team Games ★ *Grades 10-12 by Fall 2021* #8230
Students participate in various competitive team games and activities including football, softball, ultimate frisbee, volleyball, basketball, soccer, aquatics, team handball, speedball, and lead-up games.**

***Course earns 1/2 unit credit.*

★ *Cheer, dance, sports, or any types of camps are not allowed as a substitute for physical activity, attendance or credit for PE courses.*

LANGUAGE ARTS - Requires SMSD MacBook

Courses for credit recovery

ELA 1 #1082
Students read closely and think critically about a variety of literary genres, including fiction and informational texts. Students will write for a variety of purposes, applying effective language skills and participate in small group and whole group discussions.*

LANGUAGE ARTS continued - Requires SMSD MacBook

Courses for credit recovery

ELA 2 *Prerequisite: ELA 1* #1140
Students read closely and think critically through diverse reading experiences, including fiction and informational texts. Students will write analytically for a variety of purposes, applying effective language skills and participate in small group and whole group critical discussions.*

ELA 3 *Prerequisite: ELA 2* #1150
Students read closely and think critically about diverse themes in American history, using a variety of fiction and informational texts. Students will write analytically through a range of formal and informal writing, actively participate in oral discussions, apply appropriate language skills in writing and speaking, and develop research skills using teacher-directed and student-generated topics.*

ELA 4 *Prerequisite: ELA 3* #1160
Students read closely and think critically about diverse and relevant themes, using a variety of fiction and informational texts. Students will write analytically through a range of appropriate language skills in writing and speaking and refined research skills using teacher-directed and student-generated topics.*

MATHEMATICS - Requires SMSD MacBook

Courses for credit recovery

Algebra 1 #2050
Students develop knowledge in mathematics through work with linear expressions and equations. Essential topics include interpreting quantities and rates, functions and function notation, rational exponents, quadratic relationships, and using regression techniques to describe relationships between data sets. Application and reasoning are emphasized.*

Algebra 2 *Prerequisite: Geometry* #2060
Students apply and extend their understanding of functions. Essential topics include quadratics, polynomials, logarithms, trigonometry, and statistics. Course prepares students for College Algebra/Trig.*

Consumer Math & Finance *Prerequisite: Geometry* #2195
Students will acquire the skills to make informed decisions about money management, earning income, savings and investments, and spending and credit.*

Geometry *Prerequisite: Algebra 1* #2110
Students develop knowledge in mathematics through work around congruence and similarity. Essential topics include proofs of geometric theorems, constructions, introduction to trigonometry, working with circles, and conditional probability. Application and modeling are emphasized.*

Integrated Algebra/Geometry 1 #2054
Students develop knowledge in mathematics through work with linear expressions, equations, and functions. Students apply and extend their knowledge of these algebraic concepts within the geometric concepts of congruence, similarity, parallel and perpendicular lines. Application, modeling, and reasoning are emphasized.*

Integrated Algebra/Geometry 2 *Prerequisite: Int.Alg/Geo 1* #2056
Students continue to develop knowledge in mathematics through the study of nonlinear algebraic concepts including quadratic relationships, rational exponents, and regression techniques. Students will apply and extend knowledge of algebra with integrated study of geometric concepts including an introduction to trigonometry, proofs and theorems, and circles. Conditional probably and data sets are explored. Application, modeling and reasoning are emphasized.*

MATHEMATICS - Requires SMSD MacBook

Courses for credit recovery

Intermediate Algebra *Prerequisite: Geometry* #2070
This course introduces fundamental Algebra 2 concepts. Essential topics include complex numbers, arithmetic operations with polynomials, solving rational and radical equations, and using statistics to make inferences.*

SCIENCE - Requires SMSD MacBook

Courses for credit recovery

Biology 1 #4130
This course is designed to develop an understanding of plant and animal systems, environmental relationships, bioenergetics, genetics, and biotechnology. Emphasis is on scientific problem solving and higher level thinking skills. **Laboratory biological science credit.***

Chemistry 1 *Prerequisite: Geometry* #4170
Students study the interactions and changes between matter and energy. Laboratory investigations involve the students in scientific problem solving and the inquiry processes of science. **Laboratory physical science credit.***

Physical Science #4128
This course is a study of fundamental physics and chemistry principles. It provides a foundation for future science courses. Students will be observing, measuring, classifying, interpreting data, using metric measurement, graphing, controlling variables, problem solving, and forming conclusions. **Laboratory physical science credit.***

SOCIAL STUDIES - Requires SMSD MacBook

Courses for credit recovery

American Government *Offered JUNE SESSION ONLY* #3190
Course is based upon students' previous learning to assist them in being informed and engaged citizens. Emphasis is placed on the rights, responsibilities, and privileges of citizenship. Students will examine the development and the fundamental principles incorporated in the United States Constitution; the organization of government at the federal, state, and local level; political parties and elections; comparative government; and foreign policy.** ***Course earns 1/2 unit credit.*

United States History #3160
The high school course of study begins with a review of the major ideas, issues, and events of the late 19th century including imperialism, industrialization, and immigration. Students will then concentrate on the critical events, people, groups and ideas, and issues of the period from 1900 to the present.*

World Regional Studies #3396
This course is designed to explore the political, economic, physical and cultural geography of Europe, Asia, Africa, Latin America, South America, and Australia; and provide an introductory overview of the historical development and events that shaped each region. Students will investigate the cultural contributions of each region and rapidly changing landscape of these regions.*

**Students may enroll in session one or two for 1/2 unit credit, or both sessions for one unit credit. Course material corresponds to semester one or two of regular school year. Enroll in the appropriate session depending on credit required.*

GRADES

Parents may view assignments and grades in Skyward Family Access if they have an account. District student grades will be transcribed at the end of the summer. A transcript will be sent to the non-district student's high school.
