5	Covid Update- Michele Maloney	<ul style="list-style-type: none"> • Grading 100% Online- 2nd Marking Period will include some grading components. Grades will be based on the information the remote teachers have collected. This will be shared with classroom teachers who will input that information into progress notes. Progress and effort scales will be utilized based on student engagement and work completed. • Grading for hybrid students will remain the same. • Conferences- 3/17 full day of conferences. Zoom, phone, or email updates will be offered as options. • Return of Online Learners- Significant number of remote students (35-40) have transitioned to the hybrid model within the last few weeks. Every day we are getting emails about students returning. • District Advocacy--Metrics to return to school at full capacity. There has been conversation about whether students can be three feet apart (and masked) and be in classrooms together. Goal is to return everyone to school. • Planning for next year- students entering 5th and 6th grade will largely be placed together in the same team as this year (but not necessarily the same homeroom).
	Jared Campbell Presentation Feedback	<ul style="list-style-type: none"> • Overwhelmingly positive feedback. Kids were engaged and enjoyed the assembly. Opportunity to send emails was well received, and allowed students to buy in to their participation in the virtual assembly. Remote students were also engaged and sending in emails.
New Business		
6	Potential Social Emotional Survey for VIS Students- Katie Carrozzi	<ul style="list-style-type: none"> • Need- Many conversations this year have focused on the social/emotional wellness of our students. The initial survey sent out to hybrid students earlier this year had a few social/emotional questions, with generally positive comments. • Goals- Include remote learners, keep it brief, 5-6 questions. • Should parents also be surveyed regarding student social/emotional needs? Parents may be able to better express the challenges students are experiencing. Currently parents can share concerns on the placement forms. <p>Question Development-</p> <ul style="list-style-type: none"> • How are students feeling about going back to “normal school” in the future? Important to plan for supporting these students when they return, particularly our 100% remote students, who have been away from school for a year or more.

				<ul style="list-style-type: none"> • Should we be waiting to assess student feelings about returning to school until we have a better sense of when it will happen? • Ask about friendships to determine issues with social isolation? • Consider having at least one open ended question. • Could have a couple of small focus groups- this could delve more into the complexity of their emotions. • How do students feel about their efforts on their virtual learning work? • How can we get feedback from families that are not engaged in remote learning?
Closing				
7	Review Assigned Tasks	Minute Taker	2 min	Katie Carrozzi will share feedback regarding the student survey with Kevin. Katie and Michele Maloney will work together to develop draft questions to share at the March BC meeting.
8	Set Agenda & Roles For Next Mtg.	Facilitator	2 min	Facilitator: Michele Maloney Minutes: Shawna Spriggs Time Keeper: Gail Rey
9	Parking Lot Attendant	Facilitator	2 min	<ol style="list-style-type: none"> 1. Next meeting- Share draft of student survey 2. Future meeting- Share results/feedback from science fair 3.
10	Round Table	All	4 min	

Future Meeting Dates: List the dates of all meetings left to occur

3/22 7:45 AM (Change from original date of 3/29)

4/26 3:30 PM

5/24 7:45 AM
