

**ROCKFORD BOARD OF EDUCATION
INVITATION FOR BID ON SUPPLIES, MATERIALS, EQUIPMENT OR SERVICES
FOR SCHOOL DISTRICT NO. 205
ROCKFORD, ILLINOIS**

IFB No. **21-34 Smartboards**

DATE: **March 18, 2021**

RE: **ADDENDUM NO. 1**

To All Bidders:

Included are modifications, clarifications and/or corrections for the Project Manual and are hereby made a part of the contract documents. Please attach this addendum to the Project Manual(s) in your possession. Please note the receipt of this addendum on the bid form. Bidders shall review changes to all portions of this work as changes to one portion may affect the work of another.

If you plan to hand deliver your IFB submission on the due date, please note you must check in on the 2nd floor prior to coming to the bid opening. Please allow time for this as late submission will not be accepted.

Refer all questions relative to the business aspect, Instructions to Bidders, Special Conditions, and questions concerning the technical aspect of the documents to the Director of Purchasing by email at purchasingdeptstaff@rps205.com.

CLARIFICATIONS

This addendum includes requests for information (RFI) to date, corresponding answers, a chart of schools that includes their address and number of devices each, and a revised Bid Offer Form*.

***Please note the change in quantity from 515 to 538 on the revised Bid Offer Form.**

ROCKFORD BOARD OF EDUCATION

By: Dane Youngblood
Director of Purchasing

CLARIFICATIONS

Below are requests for information (RFI) to date and corresponding answers.

1. In how many schools will SMART panels be installed?
 - a. Smartboards will be installed in 22 schools.
2. How many panels will be installed in each location?
 - a. A table with all locations and the quantity to be installed at each is included in this addendum.
3. For line item 1, you have specified the price quoted for each item is “the full purchase price, including delivery to destination”. Where should the panels be delivered, and will a lift gate be required?
 - a. Vendor is to provide inside delivery to school classrooms. A lift gate will be required.
4. For line item 2, where will the panels be located upon arrival of the vendor who is awarded this line item?
 - a. Lines 1 and 2 will likely be awarded to the same vendor for the purchase and delivery of the Smartboards. Smartboards will be located in each classroom prior to installation.
5. Is there a rough room count for how many rooms may need power/data? 100, 250, 400, 515?
 - a. This information is not currently available.
6. For power, are we moving an existing outlet from within the room (i.e., existing outlet for projector), or are we pulling power from the hallway or similar?
 - a. This information is not currently available.
7. For data, are we moving an existing jack from within the room, or pulling a new line from a local IDF or MDF? Single data jack per classroom?
 - a. This information is not currently available.
8. If panels are onsite, what is the earliest date we can begin installation?
 - a. Thursday, July 1, 2021.
9. What is the expected completion date?
 - a. All boards must be installed by Friday, August 20, 2021.
10. What hours will we have access to the work locations?
 - a. 7:30 AM to 3:30 PM, Monday through Friday.
11. Will 4' x 8' adhesive skins be installed onto 4' x 8' dry erase boards?
 - a. The adhesive skins will be installed onto existing chalkboards and may need to be trimmed to fit depending on location.
12. Will the district supply paint for painting and patching?
 - a. No, the District will not be supplying paint.
13. Can you estimate how many classrooms will MooreCo adhesive skins be installed?
 - a. This information is not currently available.
