Message from the Leadership Team

Before anything, I want to say thank you families for choosing YES Prep North Central Elementary. This year has brought us many unexpected events, but I want us to focus on the positives and one of those things was us being able to launch our school and educate all the wonderful children. Everyday I look forward to the opportunity to interact with the students at NCE and our families. Thank you, families, for your continued support and for always participating in all the school events we have for our students. Families, I hope you have had a safe and restful spring break and we look forward to having our students back on campus on Monday! Again, thank you for all you do and always remember that YES Prep is always here for you!

Ms. Santana
