

# Spring Benefit

May 13 - 15, 2021  
Carden Arbor View School

Dear Friends of Carden Arbor View School!

Save the date! The Carden Arbor View School Spring Benefit is set for May 13-15, 2021.

We are honored to serve as Co-Chairpersons for the 2021 pandemic edition of the Spring Benefit. Both an actual and virtual good time, this event features a three-day Silent Auction and raffle for our parents for a chance at free tuition for the new academic year. The Spring Benefit Celebrates the **Achievements, Perseverance, Excellence, and Responsibility** of the students of Carden Arbor View School.

We need your support to help continue the tradition of excellence in education and character building that Carden Arbor View School so aptly provides. Last year the support of our community and sponsors helped the school to raise over \$85,000 from our auction and raffle. We were overwhelmed by the generous support we received, especially during the highly confusing early days of the pandemic. We are grateful and awed by our community's generosity.

The pandemic continues to govern our lives and frustrate our daily existence. It has caused us to reflect on the aspects of life that are most important. Educating the children of our community is at the top of our list.

Now we need your help. You can make the event even better by becoming a sponsor or offering a donation of goods and services to our auction. It is a great way to promote your business at a low entry cost and a win-win for the entire community. There are also a few advertising opportunities available. Your contribution makes our community even stronger.

We have enclosed two rather useful pages. One details the Spring Benefit Sponsorship Opportunities and the other is the sponsorship participation form to return with your auction donation or sponsorship. Please reach out to Terri DiMarco once you've completed the form or for any questions you may have. We are looking forward to having you participate in the Spring Benefit 2021.

Warm regards,

Mrs. Sandra Kirk and Mr. Micah Forbes  
Spring Benefit 2021 Co-Chairpersons
