Dear Parents/Guardians of Virtual At-Home Learners,

Tuloso-Midway Intermediate will be administering a critical online STAAR benchmark next week. This benchmark will give us the information we need, as educators, to know what areas your child is needing additional instruction on.

These assessments must be taken in person, on campus. We are asking that you make plans for your student to come to campus on these days. The following precautions will be exercised to ensure everyone's safety:

- All testing areas will be sanitized per CDC guidelines
- Virtual students **will not be in contact** with current in-person students
- All Virtual students will be asked to wear a mask
- Virtual students will have alternate arrival times and different entry/exit areas than in-person students
- Virtual students will be seated a minimum of 6 feet apart in a large open area and will not share a device or any items with other students or teachers
- Virtual students are asked to bring their own water bottle
- Virtual students will be provided a light breakfast and a sack lunch will be provided to all students. All meals will be served in the same area of the testing, as to limit exposure.

Virtual students' arrival time is 8:30 and release will be at 1:00 at the side entrance (Door 10).

Below is the Testing Schedule

Tuesday December 8, 2020 8:30 - 2:00	Wednesday December 9, 2020 8:30 - 2:00	Thursday December 10, 2020 8:30 - 2:00
4th Grade Writing	3rd, 4th, 5th Grade Math	3rd, 4th, 5th Grade Reading
5th Grade Science		

Virtual students with a District issued device and charger will be asked to bring it with them for testing. Please contact front office if you have any questions or concerns 361-903-6550.

Thank you,

Christina Trevino
