Quality Schools International sets high standards for graduation. QSI academic diplomas require mastery of competencies and knowledge that prepare students for university.

Select QSI schools have been accepted to join the innovative AP Capstone diploma program. This rigorous, research-intensive course of study combines scholarly practice with academic intensity.

QSI schools that offer the International Baccalaureate diploma program as an IB World School are authorized through the International Baccalaureate Organization.

## Universities

QSI schools prepare students for college and university. The post-secondary schools that QSI graduates attend represent a wide range of nations and disciplines. Highly selective colleges and universities welcome QSI graduates.
