Your Family

*Subject to conditions and availability

We appreciate that our families lead very busy lives and we are here to help them. We offer a range of flexible options for our Kindergarten children to suit every lifestyle. Parents can choose full or part time places, and we offer 30 funded hours for 3 to 4 year olds under the Government Scheme.

Parents who qualify for 30 funded hours can choose full or part time places under our All Inclusive Package or our Flexi Term Time Package. Our All Inclusive Package provides a place for your child for 51 weeks of the year. Under our Flexi Term Time Package, your child attends Kindergarten during each of our three academic terms with the option of joining our Holiday Club for any amount of days or weeks during the school holidays.

For those who do not qualify for 30 funded hours, we continue to offer 15 funded hours and both full time and part time options are available under this scheme.

With so many options for full and part time places, term time only or for 51 weeks of the year, we aim to be as flexible as possible to support our families who all lead different, busy lives.
