

ACCESS AND INCLUSION MODELS
Parish Religious Education Programs
Archdiocese of Philadelphia

Providing for an inclusive faith formation program is only limited by our imagination. These are suggested models of inclusion:

Integration with Accommodations

The student participate in classroom with the support of a catechist assistant, peer tutor or therapeutic support staff (wrap-around).

Full Integration

The student participates in the religious education classroom with peers.

Program Integration in Learning Support Classroom

The student participates in classroom opening prayer, program liturgies and special classroom activities. Student receives individualized instruction.

Integration with Individualized Instruction

Parish liturgical celebrations and catechetical programs should be accessible to persons with disabilities and open to their full, active, and conscious participation according to their capacity.
