

FREE BREAKFAST & LUNCH FOR ALL CHILDREN (18 & UNDER)

Starting March 29th

During our physical reopening, all site kitchens will be open. However, students will not eat on campus. Instead, students and parents/caretakers can expect the following procedures:

- **Both AM and PM hybrid learning cohorts will pick up meals (breakfast and lunch) outside the classroom as they leave for the day.**
 - AM cohorts will take lunch and eat at home.
 - PM cohorts will pick up meals for the following day that are to be eaten at home the next day (i.e. pick up Thursday's meal on Wednesday as they leave for the day. Monday lunches will be brought home on Fridays). **PM cohort students should be sure to eat before attending school in the afternoon as there will not be an opportunity to eat lunch on campus.**
- On Wednesdays, all students will pick up meals at the Dana Grab and Go drive through.
- If students want weekend meals, they must pick them up from Dana on Fridays as weekend meals will not be served at elementary sites.
- If any student is 100% distance learning (i.e. is not enrolled in any hybrid cohort or is in grades 6-8), all meals can be picked up at Dana's Grab and Go from 11:45 AM to 1:15 PM on Monday - Friday.
- Please note: School sites will only serve meals for students enrolled and attending their specific hybrid cohort for the specific instructional day. School sites will not allow meal pick up for students attending another site or distance learning (see above bullet point).
