

**ROCKFORD BOARD OF EDUCATION
INVITATION FOR BID ON SUPPLIES, MATERIALS, EQUIPMENT OR SERVICES
FOR SCHOOL DISTRICT NO. 205
ROCKFORD, ILLINOIS**

IFB No. **21-34 Smartboards**

DATE: **March 22, 2021**

RE: **ADDENDUM NO. 2**

To All Bidders:

Included are modifications, clarifications and/or corrections for the Project Manual and are hereby made a part of the contract documents. Please attach this addendum to the Project Manual(s) in your possession. Please note the receipt of this addendum on the bid form. Bidders shall review changes to all portions of this work as changes to one portion may affect the work of another.

If you plan to hand deliver your IFB submission on the due date, please note you must check in on the 2nd floor prior to coming to the bid opening. Please allow time for this as late submission will not be accepted.

Refer all questions relative to the business aspect, Instructions to Bidders, Special Conditions, and questions concerning the technical aspect of the documents to the Director of Purchasing by email at purchasingdeptstaff@rps205.com.

CLARIFICATIONS

This addendum includes clarifications for mounting Smartboards over existing chalkboards and information regarding number of classrooms that need power/data connectivity, painting and room prep, and porcelain skins to cover chalkboards.

ROCKFORD BOARD OF EDUCATION

By: Dane Youngblood
Director of Purchasing

CLARIFICATIONS

1. Clarification for mounting Smartboards over an existing chalkboard:
 - a. It is an unknown condition if the existing chalkboard material or mastic used to install a chalkboard is an ACM. The abatement contractor hired by the owner will drill the anchoring locations for the Smartboard brackets. The installation contractor shall install the whiteboard skins and mark the location of anchoring the Smartboard brackets. The installation contractor will advise the abatement contractor when the drilling locations are marked and ready for an entire school.

2. Below are the approximate TOTAL number of rooms that need power connections, data connections, painting and room prep, and porcelain skins over chalkboards.
 - a. 16 classrooms will need power supplied to the panel location.
 - b. 29 classrooms will need data supplied to the panel location.
 - c. 503 classrooms will need painting and room prep.
 - d. 230 classrooms will need porcelain skins to cover chalkboards.
