### Notes

- All dates are when the season may start, DePaul Prep may start on these dates or a few days later depending on the coach's preference/schedule.
- \*For boys and girls who are participating in a winter sport, they will be given the opportunity to join the track team after their respective winter sport season ends. If a student is not involved in a winter sport, the expectation is they will start track in January.
- Club sports such as hockey, crew and sailing create their own calendars and you should visit their respective websites for detailed information.
- VACATION DATES: DePaul Prep Athletics has two weeks of no coach contact which are helpful in planning your vacations - July 5 - July 9 2021 and Aug 2-Aug 6 2022
