New School look like, feel like, sound like?

Welcoming – secretaries who are always pleasant and helpful.

Benches for parents to wait on near the office.

Library as the “heart” of the building creates a nice aesthetic.

Student art display is great! Ideas for display in the new building: Magnets on metal bars mounted on the wall; “clothes lines” made of wire mounted on the wall with clothes pins to hold art.

Panther pride displays to increase school spirit.

Sounds of children laughing and learning; open classroom doors.

Transitions signals using timers and lights to prepare students to wrap up.

Financial Update:

Positions have been transferred to us.

District program: Letrs. Updating practices to match brain research on how students learn to read. Getting 95% of kids reading vs 35% currently reading by 4th grade.

Stipend of \$250 per unit } using CC funds shows teachers we support the program.

Total: \$18,000-\$19,000.

OEK funding would make up for change in CC funding plan.

Tied to skill not curriculum.

Carry over 15% of title1 funds to pay tutors next year

For all k-3 teachers in our school.

Title funding will fund tutors next year so stipend for LETRS training will not take from tutors in 21-22 SY.

Motion to allow \$22,500 for teacher stipends for LETRS training: Ms. Beckman

Motion: unanimous

Motion: approved

School improvement plan goals 2021-2022:

Continue with the same goals?

Goal 1: Literacy growth 80% of kids

Increased from goal of 75% last year.

Goal 2: Attendance.

Providing students with opportunities to succeed quickly after a long absence may help them feel less behind, less hopeless and more capable and more apt to keep coming back.

Goal 3: Math proficiency & growth

Looking at growth ensures that all students – above, below or at proficiency – are learning and improving.

Goal 4: Science

Motion to approve preliminary school improvement plan as discussed: Ms. Murdock
