Blessings in a Backpack:

Megan Henderson is now coordinating the Blessings in a Backpack for the county. This program sends home food on the weekend, that is easy for a younger child to prepare. The volunteers pack the bags on Thursday evenings and deliver them on Friday mornings to the schools. They are packing 466 bags currently. They pack items such as microwavable macaroni and cheese, prepackaged snack food bags, pudding cups, juice drinks, etc. Through this program, students are provided with food for the weekend. Without these many students would not have much food for the weekend.

Staff Recognition:

Northfield Jr/Sr High School would like to thank Denise Stouffer for once again making the subject that she teaches come alive. Her hard work, extra time, planning and organizing of the field trip to Canada is much appreciated. Her work allowed students to experience Shakespeare first hand.

Our student and staff members were able to participate in the Dress-Up Days. They hosted movie night in the auditorium viewing The Greatest Showman. Other activities will continue for the week.
