*Summer School Mathematics is an online course that utilizes the ALEKS educational program (available 24/7). Courses will be conducted entirely online. On their own time, students must meet or exceed the minimum number of hours online and topics mastered in order to pass the course. In addition, each student must take an in-person Final Exam at the end of the course.

PAYMENT

Fees must be paid in full at the time of registration and will be returned only if the applicable course is cancelled.

A separate check or money order is required for each pupil and for each separate course. Fees paid by check must be made out to:

*The School District of Haverford
Township*

REGISTRATION

Registration will begin on Monday, May 31st and end on Friday, June 25th. Contact Ms. Karyn Smyth @ 610-853-5900 ext. 2530 for registration and more information.

All registration forms for High School courses will be available online and in the main office of Haverford High School, 200 Mill Road, Havertown, PA 19026.

DATES AND LOCATION

Summer Session will run from
Monday, June 28, 2021 to Friday, August 6, 2021

In person courses will be held at Haverford High School
200 Mill Road, Havertown, PA 19026

SPECIAL NOTES

Dr. Steve Quinn is the Principal of Summer Session operations at HHS. He can be reached on 610.853.5900 ext. 2551.

Final course offerings will depend upon a sufficient number of applications. All enrollments will be limited and applications will be accepted in the order received.

To receive course credit, the student MUST attend the complete summer session. Attendance in Summer School is critical. If a student is dropped from a course due to lack of attendance, no refund will be granted.

Registrations may be made in person or online-not by mail or phone. Once a class has begun there will be no refunds. Some courses/grades may be combined to meet enrollment requirements. Room location will be posted on the first day of Summer School.

Original credit Summer Session math is an *Honors* level course. It is a fast paced course designed for top level math students. Please be mindful of this before signing up for these courses.

KEYSTONE TESTING

Students who were not successful on Keystone exams in Algebra I or Literature can choose to take the corresponding summer school class and/or retake the Keystone exam in August. Students opting to take the Keystone exam in the summer must register for the exam by Friday, June 25th.
