Dear Parent/Guardian,

The district has been awarded a grant through [NJ-CAP](#) (New Jersey Child Assault Prevention) to provide supplemental instruction for students in grades 2-6. NJ-CAP programming aims to improve school climate, strengthen families, and reduce students' vulnerability to assault and bullying.

Over the next several weeks, a CAP trainer will virtually provide a lesson during the school day under the supervision of your student's classroom teacher. As a parent/guardian, you have the choice to opt your child out of the program.

For more information regarding the program content and resources for parent/guardians, please review the following links:

[Overview of the elementary program curriculum](#)

[NJ-CAP Adult Guide](#), (Also available in [Spanish](#))

[Parenting to Prevent Abuse](#), (Also available in [Spanish](#))

If you are opting your student out of the NJ-CAP lessons, please email their classroom teacher as soon as possible. Our staff will plan to provide your student with an alternative activity. If you have any questions, comments, or concerns, please reach out to your principal or me.

Sincerely,

Argiris Hristofis
Health & Physical Education Supervisor
