

ST. DAVID'S SCHOOL

Welcome to St. David's School from the Nurse's Office! We are so happy you are here and that you have chosen St. David's for your child.

Magnus Health Student Medical Records (SMR) is the online medical record system utilized by St. David's School to maintain all student health records and forms in a secure, online environment. Magnus SMR allows the school nurse to look up vital information, chart if your child comes to visit the nurse, and keep track of medical issues, immunizations, medications, trends, etc.

In the coming months you will receive a welcome email with detailed instructions regarding how to access the Magnus Health SMR website, where all required medical forms will be available for you to complete and submit. All medical forms must be completed and submitted online to Magnus SMR **before August 1.**

The school is not able to accept paper health forms. All medical forms must be completed and uploaded to the Magnus Health SMR online system prior to a student starting at St. David's School.

- Vital Health Record
- Consent to Treat Form
- Immunization Form*
- Over-the-Counter Medication Form*
