Our AAPI/API families are hurting right now. Learn about the community and ways to help.

WHAT IS THE MEANING OF AAPI OR API?

The Asian Pacific Islander (API) or Asian American Pacific Islander (AAPI) community consists of people with ancestry from the Far East and South Asian countries, the Indian sub-continent, and the Pacific Islands, including native Hawaiians. Asian Americans are the fastest growing major racial or ethnic group in the US.

STOP AAPI HATE

Our community stands united against racism. Hate against AAPI communities in the US has increased 150% since 3/2020 during the COVID-19 pandemic. Together, we can stop it.
