PO Box 69
Rathdrum, ID 83858

Dear Trent:

On behalf of the Idaho High School Activities Association's Board of Directors, the IHSAA Student Advisory Council and the IHSAA Sportsmanship Committee, I would like to take this opportunity to express my appreciation and personally say thank you to the representatives of Lakeland High School in winning the 2021 State 4A Boys Basketball Sportsmanship Award.

Sportsmanship is a top priority of the IHSAA, the ideals of sportsmanship permeate virtually every aspect of our culture, and the ethics of fair play may be witnessed in all facets of life. The origins of sportsmanship have been firmly established in education-based activities as a training ground for good citizenship and high behavioral standards.

We would also like to recognize Mike Divilbiss as a positive role model in your school's sportsmanship culture. The leadership at Lakeland High School was evident in the behavior of your coaches, players, school representatives and spectators at this year's tournament.

Trent, thanks again for making sportsmanship a priority at Lakeland High School. It is the positive behavior of our school leaders that help provide the participants, as well as the spectators, with a memorable experience and an example of behavior that will last a lifetime. In this year of adversity and challenges that schools have never dealt with before, winning the sportsmanship award demonstrated your schools' positive culture.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Federico".
