Teaching respect:

This week, in our morning meetings, we will be talking about being kind to one another. In the classroom & throughout Boyce elementary, students learn and practice how to be respectful. It is important that certain lessons are taught so that students can learn these important skills. We will start with Bully vs. Buddy lessons. Through these lessons children will understand what a "bully" is and what certain actions are considered "bullying."

Unit 4 Week 4: *Students should...*

Be able to read & spell words with long i: i, igh, y, ie. Read this weeks irregular words caught, flew, know, laugh, listen, & were.

Read words with the endings of -es, -ed, -ing. Visualize by creating pictures in their minds and tell about character's points of view.

Into Math: During the beginning of the week we will finish up Module 10 & our practice of counting numbers up to 120. Then we will begin the next module were we will focus on comparing numbers.

Dates to remember: Mar. 22nd - Wear exercise clothes * Mar. 23rd - Wear sunglasses
* Mar. 24th - Wear red, white & blue * Mar. 25th - Wear red * Mar. 26th - Wear flannel

MESSAGE FROM MS. K.

Please continue to have your child read every week to meet their March is Reading Month goal. Each time they meet their goal they get to sign a basketball that gets displayed on the wall! In class this week we will be working specifically on their reading stamina and being able to read for longer periods of time.
