## About the Lady Lions Program

The Lady Lions Sports Camps are for girls entering 4th - 9th grades. Our camp is under the direction of Mount St. Dominic Athletic Director / Softball Coach, Lorenzo Sozio.

Lady Lions Sports Camps aim at teaching the fundamental skills at a time of the year when great progress can be made – in the summer. We will stress the fundamentals of each sport and create game situations in the best learning environment.

“**Lady Lions Camps** will challenge the beginner and improve the skills of the more seasoned player.”

With the limited number of campers, your daughter will be guaranteed quality time to learn the proper fundamentals.

All campers will receive a t-shirt, athletic items and awards for achievements. Camp will be held regardless of weather conditions.
