## **5 Star Students:**

New this year at THS is a student engagement tool called 5 Star Students! This is an app where you can earn/track points for simply attending events or doing something awesome in class! Points can be redeemed in the students store for things like spirit shirts, school supplies, or other spirit items! Download the “5 Star Students” App below by scanning the QR code (right) on your digital device’s camera or click on the following link: <https://tinyurl.com/yy3haw4d>

## Welcome to the Bulldog Family!

Established in 1915, Tracy High School represents one of Tracy Unified School District's 3 comprehensive high schools. THS is situated between Stockton and Livermore in California's San Joaquin Valley. Tracy's proximity to the San Francisco Bay Area has been the driving force behind its continued growth and transition from a rural agricultural area to a commuter community with a population of over 90,000 residents. Tracy High School's vision is to consistently provide a safe and rigorous learning environment where our students' physical, emotional, and academic needs are met in preparation for a future of growth, prosperity, and productive citizenship in a diverse and complex world. Our mission to foster a positive, safe environment that prepares students to successfully navigate our global community using 21st Century skills.

## A WELCOME MESSAGE FROM PRINCIPAL NOLL

Hello Bulldogs! My name is Principal Noll and I am entering my 13th year as principal of Tracy High. I have been an assistant principal and student as well at THS. Tracy High is a wonderful place to come to school! We have a lot of caring staff members, some of which have also been students here as well! A saying at THS that can often be heard is: “Once a Bulldog, Always a Bulldog!” What this means is that our students and staff are not only opening and accepting to every person that walks onto this campus, no matter their beliefs, backgrounds, things they like to do outside of school; but also means that we strive to engage everyone on campus and whatever their strengths are! Whether it's academics, sports, drama, music, art, or anything in between; we encourage students to seek and find themselves during their time at THS. Additionally, a Bulldog is someone that is kind, friendly, & respectful to everyone else because high school can be a scary place. However, if we work together, it isn't! In fact, if we do it will be an amazing place full of memories that will help jump start you into your future years after graduation! I look forward to an amazing year and cannot wait to meet each and everyone of you when we step foot on campus!
