

Eagle Vision News – March 24th, 2021

Centerville Families,

Friends come and go over the years. If you think about the course of your life, you can probably name different friends from different time periods. You may even have certain friends that you rarely see but, when you do, it seems like no time has passed at all.

Though it is normal for friendships to change over time, the people you spend your time with impacts your life in more ways than you realize. Having a good friend can make the stresses of life seem a little more bearable. Friendships can even cancel out some of the difficulties of life.

In fact, a new study revealed that the friendships children make during the early years of school can offset the negative things that have occurred in their young lives. Friendships can also have an impact on a child's academic performance and may even discourage negative and deviant behaviors.

For the month of March, our schoolwide focus has been on creating and maintaining friendships. Having identified the focus of friendships as a need for our school, our teachers and every member of our staff were asked to remind students to work on their friendship skills. Our Hope Squad handed out shamrocks and gold coins to those they noticed promoting friendships. Student Council remind us in our daily announcements about friendship. Staff members then had the opportunity to nominate someone they notice who has been improving their budding friendship skills. All our activities culminate tomorrow, when we will celebrate a few of the many who have worked hard at being a good friend. Those who made the list are:

William Barrett	Penelope Wood	London Creamer
Samuel Martins	Ben Draney	Camille Jensen
Chaz Redd	Ryker Uffens	Grant Beer
MakylN Miles	Hadley Parrish	Amelia Jones
Ryleigh Kimmel	Christien Jorgensen	Jed King
Jane Henrie	Ada West	Hudson Anderson
Oliver Peck	Amelie Fisher	Logan Clinger
Wyatt Sweitzer	Olivia Brinkerhoff	Eva Ellis
Emily Beer	Elle Natali	

Congratulations to these fine students who have promoted friendship among their peers.

Today our Student Council shared this quote by an unknown author: "A friend is someone who knows the song in your heart and can sing it back to you when you have forgotten the words."

Mr. Holmes

Because of Covid restrictions, we will not be able to have class pictures this year, but Spring Individual Pictures are still a go! Flyers should be coming out today, so look in your child's backpack for information regarding this optional picture opportunity.

YEARBOOK orders

Our wonderful PTA has been working hard on our yearbook this year. We are still offering the yearbooks at the low price of \$15. The deadline for this price has been extended to April 30th. After April 30, the cost of yearbook purchase will increase to \$20. Payments may be made by check or cash in the office or paid for electronically on MyDSD.

2021-2022 Classroom Placement

During the next couple of months, classroom teachers and special education teachers will be instrumental in providing feedback on the placement of our students into next year's classrooms. If you would like to provide additional information about your student that the current classroom teacher may be unaware of, please fill out the attached Classroom Placement Form OR stop by the office and grab a paper copy of the form. **Forms are due April 9, 2021.** We appreciate your patience and support as we professionally place each child. Our goal is to ensure that each student's needs are addressed so that they can have a successful school year here at Centerville Elementary School.
